

ATTENTION LICENSE STICKER CUSTOMERS

The fee to purchase a sticker is \$5.50

You must have your prior years registration form or registration renewal card to purchase a sticker.

- Your Driver's License must be valid.
- The name and address on your renewal must match your Driver's License. If the address on your Driver's License does not match the address listed on your registration or renewal card, you must provide proof of address (acceptable proof of address includes mortgage, lease agreement, utility bill, or bank statement).
- If ownership or other changes need to be made, you must visit your nearest DMV or license service to complete these changes.

To receive the Benefit Access Program (FNA-Circuit Breaker) discount, you need to present your discount approval with access number during the purchase. Please note once a sticker is sold at full price, we cannot apply the discount.

If your vehicle is due for emissions testing, you must complete the testing before purchasing the sticker. Our system does not permit the sale of a sticker to customers who have a pending emissions testing requirement.

There are absolutely no refunds. If you wish to obtain a refund, you must visit the nearest DMV office.
